## CONT'D

Jon would also like to see a group video done. Starting with a new script. No existing scripts wanted. It must be done from scratch. This is not a short term project.

### General Films

#### **Sunflower** by Miro Kantarsky (2:12)

A video about Miro walking in his backyard wondering how tall his sunflowers will grow. Miro told us he used a GoPro on a broomstick to get the high shots. The sunflowers all grow to an average height of 8 feet.

#### **Kites** by Harold Cosgrove (6:00)

Harold showed us a video of kites set to the song "Let's Go Fly a Kite" from Mary Poppins. There are many different types of kites used including a kite made to resemble a pair of legs. Three kites appear to be in a dogfight and the music was perfectly synced to a 2001: A Space Odyssey. The sound was recorded by Harold standing next to the speakers to catch the live sound.

#### **Seaworld** by Rick Doelle (3:30)

Rick filmed this at Seaworld in Orlando Florida. Various animals and mammals are at work, play & sleeping. The seals & sea lions performed several tricks for the audience. The manatees ate while being watched and the animal trainers rode the killer whales. Brave, brave people.

## COFFEE BREAK:

The coffee break brought a lot of interesting conversation, great snacks and good coffee and tea. We want to thank Paula for bringing the snacks and preparing the coffee and tea. Tonight, the 50/50 draw was won by Ben Leonetti

*Paula receives the award on behalf of the club for Movie club capital of Canada from Keith*

*Ray receives his awards from the SCCA from Keith Gloster.*

*Paula shows Cathy her new pole dancing routine.*

## CONT'D

**Six Letters and One Cent** by Miro Kantarsky (8:18)

This movie starts out with shots of Toronto. Later Miro takes us on a trip down his back road as he talks about his 50 years in Canada during the 150 years. This movie was the Compulsary winner.

**Civilization** by Jim Cox (10:00)

The last of the McMaster films. The film shows many different sections of Hamilton & also displays civilization through the ages.

## DUES ARE DUE

If anyone still has any outstanding dues please forward them to Miro. He'll be in his usual spot right by the door.

*Jon wishes someone would show up. It's lonely in the corner*

*Ray doesn't realize his glasses are drunk*

*Cathy just realized these aren't her glasses*

*Cathy congratulates Ben on winning the 50/50 draw*

**VERY IMPORTANT**

Just a reminder that all video lengths **MUST** be kept to no more than 10 to minutes (12 minutes max). If the video is longer, then a portion shall be shown and the rest of it will be shown at the next meeting. There may be exceptions but that will be decided at the time.

**Please do not try to “sneak” in one that is longer than twelve minutes** unless special permission is given. If the video is longer than the minimum, any of the executive members has the obligation to tell the AV person to stop the video. In which case only half will be shown and the other half will be shown next meeting. No club member can override this decision. We need to be able to show as many videos from the members as possible and keep the subjects fresh and new. It would not be fair to keep showing videos with the same subject content repeatedly.
