## IMPORTANT NOTE:

Paula spoke about the move to the Knights of Columbus building. It is at 222 Queenston Rd in Hamilton. Nearest intersection is Queenston & Parkdale. If you are coming from Niagara / Stoney Creek way, you will head west on Queenston Rd, pass Parkdale Ave. S. and immediately to your left, you will see St. Eugene's church on the corner; and the building right beside it is the Knights of Columbus Hall - the entrance is off of Queenston Road. Lots of parking. She will put a sign or balloons to flag your sight so you don't miss it. She might even be the one doing cartwheels on the front lawn.

## VIDEOS SHOWN THIS WEEK:

### Food Theme

#### Stuffed Pizza by Ray Bayliss (9:30)

Ray shows us from beginning to end how to make a stuffed pizza similar to the one they are famous for at Chicago Style Pizza Shack. He also shows us how not to antagonize the cameraperson with the threat of putting mushrooms on it. The entire filming & baking process took about 3 hours.

#### Carving the Muffin by Rick Doelle (2:00)

Rick shows us the fine art of carving a muffin into bite sized pieces for those who are into fine dining.

#### Editing 360 degrees by Harold Cosgrove (7 mins)

A behind the scenes of a 360 degree camera. Harold shows us how to edit the video file (not his) using a newer upgrade of Final Cut Pro.

## COFFEE BREAK:

The coffee break was not really set at any given time but still brought a lot of interesting conversation. We want to thank Paula for bringing the snacks and preparing the coffee and tea.

Tonight's 50/50 draw was won by Ben Leonetti

*Jon hasn't told Paula what surprise announcements he has in store for tonight*

*A new location and no one knows where to sit.*

*Paul attempts to make himself invisible so he can grab Alex's cookie*

## MORE ANNOUNCEMENTS

Jon talked more about the script writing. It seems the numbers have dwindled from 4 down to 3.

The March project will be an example of Magnificence. Someone or something you find magnificent. A 10 min limit.

And lastly in April a scary movie project. A 5 min limit.

April is our annual AGM meeting.

**Crickets** by Ray Bayliss (1.40 mins)

A short video that takes place at the end of summer. The grandparents are enjoying an afternoon with the grandkids when the wife decides she wants to prank her husband once again

**Sofia's Video Resume** by Paula Cutulle (5mins)

Filmed at various different venues that Paula's daughter Sofia has performed at. It highlights Sofia's work on Aerial silks. Whether it is solo work or a group effort. Paula said she has never hurt herself (knock on wood) except for the time she broke her arm doing a cartwheel off a cannon at age 11.

**Once Upon a Time in Gander** by Miro Kantarsky (12 mins)

Miro talks about how lucky he is to celebrate 50 years of being in Canada. He showed us shots of the crash of a plane that crashed en route to Cuba from Prague. He also talked about people who also defected from Czechoslovakia. And yes Miro enjoyed himself immensely in Cuba.

See you all next month.

Same bat time.

Different bat channel.

*Anne did not win musical chairs at the meeting tonight.*

*Jon swears the steak was this big*

*Paula is once again elated to count to ten*

**VERY IMPORTANT**

Just a reminder that all video lengths **MUST** be kept to no more than 10 to minutes (12 minutes max). If the video is longer, then a portion shall be shown and the rest of it will be shown at the next meeting. There may be exceptions but that will be decided at the time.

**Please do not try to “sneak” in one that is longer than twelve minutes** unless special permission is given. If the video is longer than the minimum, any of the executive members has the obligation to tell the AV person to stop the video. In which case only half will be shown and the other half will be shown next meeting. No club member can override this decision. We need to be able to show as many videos from the members as possible and keep the subjects fresh and new. It would not be fair to keep showing videos with the same subject content repeatedly.
