Welcome everyone to a special night. Our annual banquet & awards night at the Knight's of Columbia. We also welcomed our friends from the Buffalo Movie-Video Club. Dave, Terry, Cindy, Bob, Leo, Sameer and Michael

The food was excellent and lots of it. It was even better that we only had to go downstairs instead of driving back to the hall. Paula was very relieved that we met our quota of 35. 41 to be exact.

The MC for tonight is Ernest Gibson.

### ANNOUNCEMENTS:

July: Annual picnic and bag night will be held at Battlefield Park in Stoney Creek, ON in the usual place. We'll be meeting at 6 pm.

1. BBQ will be held at Battlefield Park (same location as last year). We need members to tend to the BBQ - 2 portable barbeques will be lit at 4:45pm and hope to be ready to place the hamburgers by 5 or soon after. Hamburgers, hotdogs and buns & condiments provided by HVFM.

2. Instructions for Bag Night will be delivered verbally and on paper during dinner.

3. Groups will be divided prior to dinner so each will have an opportunity to discuss the storyline during that time.

4. Groups are welcome to stay at the Park to film until dusk or we can also drive to The Knights of Columbus Hall and film indoors or out. Should it rain- the Hall will be perfect, however we can not enter the building until 7pm.

5. You may use any and all props that you have with you, items that are found at the scene or that you can buy at the local Dollarama. Basically, bring your own bag of stuff for bag night. You never know what you may require for the story you are about to create.

**VERY IMPORTANT**

Just a reminder that all video lengths **MUST** be kept to no more than 10 to minutes (12 minutes max). If the video is longer, then a portion shall be shown and the rest of it will be shown at the next meeting. There may be exceptions but that will be decided at the time.

**Please do not try to “sneak” in one that is longer than twelve minutes** unless special permission is given. If the video is longer than the minimum, any of the executive members has the obligation to tell the AV person to stop the video. In which case only half will be shown and the other half will be shown next meeting. No club member can override this decision. We need to be able to show as many videos from the members as possible and keep the subjects fresh and new. It would not be fair to keep showing videos with the same subject content repeatedly.
