Welcome everyone to another in the string of special nights.

ANNOUNCEMENTS:

Paula was speaking with her outside voice tonight. There will not be a 50/50 draw tonight. Instead a 2-5 dollar donation would be appreciated to go towards rent. Adam Houston sent in a letter plus his membership totaling \$165.00

She would also like everyone to write down their own movies to be shown on a monthly basis.

Tonight Paula would like to do something different. She would like to see 2 groups made up to do a short video conveying emotions on video. Each video only has to be 5-10 seconds long. Some of the emotions suggested were fear, amazement, anger, hatred, frustration, agitation, dominance, submission.

The 2 groups would be Rick Doelle - anger & fear and Miro Kantarsky - dominance & submission.

Another reminder...dues are due in Sept. \$45.00 for a single or \$55.00 for a family

The MC for tonight is Paula Cutulle.

General Videos:

Compilation of 5 1 minute videos by Harold Cosgrove

The video starts with several town criers. Then we are introduced to a giant Aleve pill. How far can you get on a cans of beans...why 200 hundred miles, that's how many. A Scotsman on the Isle of Mann showing off what's under the kilt. A parody of the Monty Python dead parrot skit and finally. A Ford car turns to rust.

Low Shooter by Miro Kantarsky

Miro was trying out an experimental video of shooting various locations at a low angle. Houses, beaches, pools, cars driving over & above a camera, dogs and last but not least dandelions.
