Welcome everyone to another evening of great videos!

The MC for tonight is Paula Cutulle

The MCs for the following months will be TBA

ANNOUNCEMENTS:

Paula talked about how Jon & Jim looked like the Bobbys twins.

Harold & Mary weren't able to make it as Mary was under the weather. Brenda is still in hospital recovering. We wish them all the best.

Paula sent me an email regarding VR tours. Dave Stewart will speak about it at the October meeting.

Bag Night videos:

I'm Not Gord - Ray's group (6:48)

Paul enjoys a sunny day when Cathy & Henry show up start insisting he's either Gord Downie or Steve Jobs. He tries in vain to convince them he is neither. He even produces a phone with an app that he's Justin Trudeau in disguise. That doesn't even work.

Solitaire - Rick's group (2:14)

Dave tries to enjoy a quiet afternoon in the park when Joan happens along and she just won't leave him alone. He finally has to tell her that Solitaire is a **ONE** person game.

Auto Co wreck - Paula's group (4:30)

Keith tries texting his buddy Eckhard but the auto correct (auto co wreck) keeps screwing up causing one to be embarrassed and the other to be extremely angry. Never text with a flip phone.

It seems the theme for tonight was to have at least one person from each team missing. Plus 1 film which we hope to see soon.

**Meetings held the 1st Thursday every month at the
Knights of Columbus – 222 Queenston Rd., Hamilton
Videomaking Basics – 7:10 p.m., • Regular Meeting – 7:40 p.m.**

General Films:

Outdoor Lighting by Ben Andrews (7:00)

An informative video on using outdoor lighting when filming outdoors. Try not to film in the sunlight if possible. Never have the sun behind your subject as it causes them to be a silhouette. It also shows all the dust & dirt on your lens. Shoot with the sun either behind you or off to the side. The best days to shoot are on cloudy days or in the shade.

Fired by Miro Kantarsky (3:00)

Miro's final rendering of the idea put forth by Paula the month before. It shows Miro looking very submissive & Anne being very dominate. Others in the video were just shocked. He also showed the outtakes as well.

Labour Day Storm by Miro Kantarsky (3:05)

The storm came in & turned the lake green from blue. The clouds were puffy & gray with lightning flashes. The videos ends with people still on the lake riding their seadoos.

COFFEE BREAK

The coffee break brought a lot of interesting conversation, great snacks and good coffee and tea courtesy of Paula Cutulle
The 50/50 draw tonight was won by Ben Andrews

See you all next month. Same bat time. Same bat channel.

Happy filmmaking everyone.

VERY IMPORTANT

Just a reminder that all video lengths must be kept to no more than twelve minutes. Please do not try to "sneak" in one that is longer than ten minutes unless special permission is given. We need to be able to show as many videos from the members as possible and

keep the subjects fresh and new. It would not be fair to keep showing videos with the same subject content repeatedly.

Miro thought he would shock everyone by shaving off his goat...

..until Jon walked in.

Jim was shocked to discover he had a long lost sibling.
