Welcome everyone to a special night. Our annual Christmas party at the Knights of Columbus.

The MC for tonight is Jon Soyka

The food was excellent and lots of it. Jon brought in his world famous sweet potato carrot soup, there was also Ray's porcupine balls AKA meatballs & rice in tomato sauce as well as mashed potatoes, Carolyn's sandwiches, pork chops, chicken wings, kielbasa, cracker & cheese platter and Cathy's banana bread.

### ANNOUNCEMENTS:

Jon spoke again about the long term video program. He has pushed the date back one month to Nov 2019. Everyone go film!!!!

### T'is The Season Videos:

**A Moment with Mrs Claus** by Ray Bayliss  
A short video of Brenda portraying Mrs Claus from her hospital bed. She tells them that she can't make it to the party cause she got run over by a reindeer. I guess reindeer punishment for running her over is being turned into venison. She misses everyone and hopes to see everyone soon.

### Tis the Season by Paula Cutulle

The morning after a big party with seniors started with a 360 degree shot of a dirty kitchen with a sink full of dishes then we see bottle, more bottles, and even more. The moose in the window looked drunk. Paula gave us a demonstration on panning...sober?

### 12 Days of Christmas by Eckhard Kries

An older film from the 80's with members of the Stoney group singing the 12 Days of Christmas. Many former members of the club were featured. Dorothy Shivak, Carl & Marilyn Small, Judy Caton and Roger Shivak behind the camera with Eckhard. Also featured were Fred & Carolyn, Christa, Edward & sorry I don't know the little girl's name.

### Steam by Harold Cosgrove

Harold's Christmas movie was set in England during a period of no snow. Christmas? In the 1800's, Britain was the biggest exporter of cotton. It died out by the 1950's putting thousands out of work. Many cotton mills have simply been shut down and left to rot. In the Lancashire town of Wigger the equipment has been restored. Some of the machines Helen & Rina have been named after the owners daughters.
