ANNUAL PICNIC:

Going to be a short newsletter as we were in Battlefield Park. Lots of food, salads, dessert. Paula tried something different this year. We didn't have any BBQ's so instead she bought subs from Mr Sub's. Something a little different. It worked.

Later Jon divided us up into teams of 3. Five in total. And did he have a surprise for us. We were told to write the scripts and hand them in so he could see that they were actually written not winged. He then gave them out to different groups and told us to interpret the other groups script and shoot the video. Half an hour to write it and an hour and a half to shoot it.
