Tonight was a very different night. No videos were shown. Paul Dovey had written a script that he emailed back & forth multiple times to Jon Soyka whittling it down. At one point Jon's computer kept locking up. He was certain either the FBI, CIA, NSA or Homeland Security was on to him and would be at his door soon.

Our actors were Paula Cutulle's nephew John Michael Pellizzari and his friend Amimba Watson. Both excellent actors. John has been to the club before and appeared in Paula's video's most notably "The Picnic." George from the camera club was also a guest.

Several people contributed equipment. Jon built the set, Dan Copeland & Barry Randall brought in an array of lights. Barry also brought in a tripod on wheels and a huge camera jib.

First up to film was Rick Doelle who went solo. He tried a 2 camera method. Next was Ray Bayliss. His camera doesn't have mic inputs, so he had Cathy Elsliger run the other camera for sound and synced them up using a homemade 30 year old clapboard.

He filmed the guys 3 times. Alex Szatmary was up third and shot it differently with the help from Ernest Gibson. No spoilers. Paul Bentley was last. After that it was time to call it a night. We'll be watching the videos in July.
