Welcome everyone; here we are at Battlefield Park under the pavilion enjoying the barbeque. It was suggested that a small contribution be put towards the meal to cover some of the costs.

We have two kinds of sausages and wieners. Paul was a little late with the barbeque foods. The ladies brought a great potato salad, along with a tomato cucumber salad. There were also various salads that you could choose from. We'd like to thank them for their contribution.

The Club provided pop and water to quench their thirst and everyone stuffed themselves silly. We would also like to thank them also. Later on, for dessert, we had doughnuts. Now, after the meal, we got to the fun part of the evening.

Christine announced the conditions of the bag night.

1. The video is to be no more than 5 minutes long with four groups with four bags.
2. In the bags will be the following: A bungee cord, a bog, a clipboard and pen, a measuring cup, funnel and an orange item were put into the bag.
3. Within the dialog, the phrase "I didn't

know I would use a bungee cord as” must be used.

4. Everyone's face must have a cameo in the movie. The video aspects within the film should show a worm's eye view (from the ground up), a bird's eye view (from the sky down) and an extreme close-up and a wide shot.

The following groups were created.

GROUP 1:

Christine Whitlock, Ray Bayliss, Rick Doelle and Carolyn Briggs.

GROUP 2:

Paula Cutulle, Dave Stewart, Nestor Rosa and Keith Gloster

GROUP 3:

Paul Bentley, Henry Wiltschek, Evelyn Rosa and Eckhard Kries

GROUP 4:

Fred Briggs, Ernest Gibson, Jon Soyka and John Cook.

**Meetings held the 1st Thursday every month at the

FILMING:

Even though the evening was getting a little cooler, there was great conversation and suggestions as to what to do in the films. Everyone took off to their own little corner of the park to do their magic. We can't wait to see the results.

At the end, I think we can all attest to how good the food was. There was just the right amount of goodies, and the right people to celebrate it with.

Thanks everyone for coming and contributing.

They may be gathering dust, but we'd love to see them. If you have any of your video productions that are greater than 20 years old, bring them in and show them at a club meeting. Make sure they are playable on the club's system: either DVD, Blue-ray, or on a memory stick.
