A great big video club welcome to all our club members Paula Cutulle was the MC for tonight.

Regarding the regular meeting on September 4th, Ben Leoneti offers his sincere apologies for missing the meeting. Unfortunately, 'life' got in the way, and he was unable to attend. This underscores the need for the club to arrange for storage of the equipment at the Legion in Stoney Creek. We have tried, unsuccessfully, to get approval on numerous occasions before, but we have a new strategy which we are hoping will gain us the permission we seek.

Contrary to the opinion of the Legion management that they are very short of space, they have a huge abundance of available space... they are just not 'seeing' it. So we propose, with the generous help of Jimmy Small, to build a storage cabinet in an unused location at the Legion. We will use a portion of it for our equipment, which will be kept under lock and key. The remainder will be available for the Legion to use as they wish. It will not take up much space, and will offer a secure location for our equipment.

Lastly, the club will be providing tomatoes at the next meeting, for anyone who wants to throw them at Ben Leoneti.

Christine talked about membership dues and she talked about the reciprocal members exchange.

The Players Guild of Hamilton had an open house on Sunday from 1 to 4 with nibbles and noshes.

Paula Cutulle mentioned that a survey will be conducted in October to find out where people's interests would lead.

William and Christine went to Fan Expo where she had her table and she was telling us it was very crowded. Super Crawl was the amazing and very, very crowded and exciting. On Sunday the 21st, Christine had a booth in Toronto where she was selling her stuff.

Videomaking Basics – 7:00 p.m., • Regular Meeting – 7:30 p.m.**

JENNIFER WALTON,

(<http://www.creativetheatrecompany.com/>).
As a short overview, Jennifer has been teaching acting since 1987, having taught numerous workshops in the Hamilton-Wentworth region including those for Theatre Aquarius and Waterdown Montessori School. She is the other founder, along with Claudette, of the CTC in 1990.

She has worked as an Artist in the Classroom drama instructor with the Hamilton-Wentworth RCSSB.

Jennifer has her degree in Theatre and is also a professional actor appearing on stage, print, and TV commercials.

She has also served as an adjudicator for the Ontario Sears Drama Festival.

DAN PENROSE,

(<http://www.playersguild.org/>)

Dan Penrose currently sits on The Players' Guild Board of Directors as Vice President. As he states above, the board has identified a real need for action in order to curb some of the trends that appear to threaten their theatre community. He goes on to say:

The Players' Guild has looked at its own situation and understands the need to change and move away from its more traditional role in the city toward a broader scope of theatre and community involvement. We are looking at many things including collaboration with other groups, more cultural diversity, training and workshop programs, providing a venue for other Arts disciplines and engaging the youth of the community through theatre classes and an opportunity for students to obtain needed co-op and community service credits."

(Both Jennifer and Dan will talk more about what they do.)

Christine Whitlock is enjoying her first night as membership chair.

Paula Cutulle, while having an identity crisis happily poses for the camera.

Paula Cutulle tricked everyone into wishing Brenda Bayliss a Happy Birthday.

COFFEE BREAK:

At this time we broke for coffee and donuts and sold more tickets for the 50/50 draw.

When the coffee break was over, we drew the 50/50 draw and the winner was John Cook.

NOTE:

This is just a short note to say that Mary and Harold will not be at the meetings in October or December. We will see them at the November meeting

Your Old Video Productions

They may be gathering dust, but we'd love to see them. If you have any of your video productions that are greater than 20 years old, bring them in and show them at a club meeting. Make sure they are playable on the club's system: either DVD, Blue-ray, or on a memory stick.
