Welcome back everyone after 2 months of holidays to a new location and another evening of videos.

Tonight's MC was Ben.

## ANNOUNCEMENTS

Our new location is 842 Main St. E at the Faith United Church at the corner of Main St. E & Springer Ave.

A big shout out to Anne Thompson for finding us this location. Anne said the place can get a little creepy at night and after the tour she gave me, I have no doubt. It got dark upstairs and we could couldn't find the light switch. I felt like I was in an episode of Ghost Hunters, Ghost Adventures or Destination Fear.

Paula thanked Jon & Dan for getting all the equipment from Aldershot.

*Our new location. 842 Main St. E Hamilton, ON*

*Side entrance off of Springer St. is the one we use.*
