**The Siberian Experiment** by Alex Szatmary  
A possible Joe Blow movie which Joe Blow tells us about a dark story in the Siberian wilderness with lots of conspiracies. He stops by a memorial along the way on the highway. He is travelling north to hunt wolves. We learn that someone else has placed a GPS tracker under his car and is following him. Is he the hunter or the prey? Alex plays both parts

**The Secretary** by Alex Szatmary

The beginning of the film is black & white. We see a woman is in her apartment & she is shot through the window. We then realize she is giving her statement to a video journalist about what she did during the Iraq war. We then find out he is actually an assassin and plants a bomb under her car to have her eliminated.

**Slither** by Rick Doelle

A short film about a large snake in Bali. Rick kept far enough away from the snake as he filmed it.

### **COFFEE BREAK**

Rick won the 50/50 draw. Jon did not. Lots of coffee, cake & cupcakes put out by Anne.

**The Restaurant** by Paul Bentley & Anne Thompson

Filmed several years ago in Paul's party room of his building. The food is horrible but the chef (Paul) intimidates his customers and forces them to eat it.

**Monkey Care** by Rick Doelle

Another film shot in Bali with Rhesus/Macaques monkeys and their babies. No babies were stolen by other people during the making of this movie.

**Tool Bungee** by Paula Cutulle

## Whale Watching In Tofino B.C. by Jon Soyka

While watching for humpback whales & whatever else is there. Jon filmed this with a large camera on his shoulder while standing up in a boat holding on to the railing. They need a bigger boat. The guide always knew when and where they were gonna surface and would tell everyone to get ready. Other people on board also had cameras and camcorders. Unfortunately Jon missed the 2 whales that swam near the boat. You are not allowed to go to them. They must come to you.

*Paula & Dan did not.*

*Coffee & Cupcakes & Cake, oh my!*

*Neither did Jon.*

*Jon's "show is over, everyone get out now" face.*

*Some old guy walked into our meeting.*
