Welcome back everyone to another evening of videos. Our annual Christmas dinner. Tonight's MC was Ray.

ANNOUNCEMENTS

Next month we will meet on the **second** Monday. The 8th, not the 1st. It was decided that rather than watch the movies than eat. We would grab our food first than watch the movies as the food was hot & we didn't want it getting cold. A very special thank you to Anne Thompson for setting up the tables, decorations and all the food she provided. She certainly went above and beyond the call of duty. And a thank you to anyone that helped that I'm not aware of.

CONT'D

The movie involves a computer repairman exacting revenge against a snobby rich family that already hates each other. The wife wishes the stepson, who hates her would disappear forever. I must apologize for the sound quality. I only found the video at the last moment and didn't have time to fix it.

Homage To Oz by Paula Cutulle (12:31)

The story of L. Frank Baum & the story of the Wizard of Oz and how it was created. Flash forward to 2016 to Gage Park to their Wizard of Oz exhibit. Lots of flowers and representations from the movie.

Gore Park Outreach 2.0 by Paul Bentley

Paul's re edited version of Angels in the Midst starting with Anne cooking meals at 2 am. She then with the help of volunteers gets everything down to Gore Park for Saturday morning. There are some updated scenes with interviews with Jeffrey Ng & Claire 1 & 2.

No real coffee break as we were still eating however Cathy won the 50/50 draw.

A small but friendly crowd.

It should read "this bag is colourblind."

Cathy won the 50/50 draw.
