Welcome back everyone

There was no MC tonight.

Anne put out a spread of apple cake & a few other little goodies so we ate before filming.

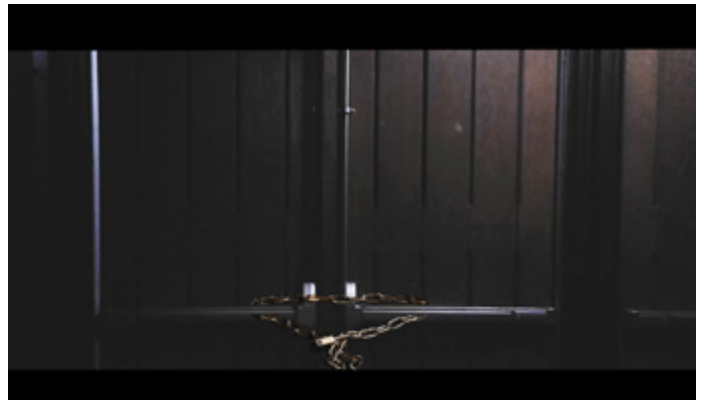

We broke into 2 groups. Rick Doelle, Paul Dovey & Cathy Elsliger were in my group. Paul Bentley, Dave Stewart, Ben Leonetti & Anne Thompson were in the other group.

Filming went smoothly but not without a hitch. Paul's group had to do a little bit of screaming & we didn't realize some of the staff were still there. Needless to say they came running. At one point Dave walked into something in the boiler room that caused a little pain.

I managed to shoot about 13 minutes of footage in under 3 hours and whittled it down to 6 minutes. The other group had wrapped before we did and were already finished. I had to add widescreen bars because my timestamp got turned on & I couldn't remove once I filmed so I hid it.

*Inside doors are locked. But who locked them?*

In the other group Dave & Anne are desperately trying to escape from the grim reaper that is chasing them throughout the church.
