Welcome everyone; here we are at Gage Park near the parking lot enjoying the barbeque. What we thought was going to turn out to be really hot wasn't that bad in the shade. Kudos to Paul for finding that spot. Paul brought the BBQ's The ladies brought a great hamburger, hotdogs, drinks, chicken kabobs & buns. We'd like to thank them for their contribution. Everyone enjoyed themselves. At the end, I think we can all attest to how good the food was. There was just the right amount of goodies, and the right people to celebrate it with. We wish more of you could have joined us. Later on, for dessert, we had muffins & strudels from Costco. After the evening was over some of the members took leftover food over to the encampment. They were really appreciative of it.

GUESTS:

We had 2 guests join us tonight. Lori Widdup & Irene Peters. Welcome ladies.

Now, after the meal, we got to the fun part of the evening. We headed into two separate areas.

Paul Dovey is making sure there is no food snatching squirrels under the table.
