Welcome everyone; here we are at Gage Park near the parking lot enjoying the barbeque. Unfortunately Anne wasn't feeling well and wasn't able to bring the food so Paul went to plan B. Pizza. He got two from Pizza Fiamma. Never had it from there before and it was pretty good. Ben brought the pop & water. The only videotaping done was by Paul. The weather was nice and cool unlike the past two years.

Ok, who stole my hair?
